

# RANGER WHEELCHAIRS IMPULSE

A compact, rear-wheel drive power base with full-suspension, the Impulse combines a full compliment of features and options with an incredibly simple design. The Ranger Impulse is based on a platform that has proven itself for over two decades and still performs today!

Compact, comfortable, and quick – the Impulse is easy to drive and easy to prescribe – a good option for almost any situation and environment. Indoors or outdoors, standard or custom, light & fast or heavy duty... the Impulse responds well to multiple applications.

Exceptionally versatile. Exceptionally accessible.
